MEDICINE HAT, June 22.—
Clasped in each other's arms,
the bodies of two young boys, Holten
Watkins, 12 years, Cambridge
Street, and Jack Patton, 13 years,
414 Broadway Street, were this af-
ternoon taken from the Beaver Dam
at the railway station here.

A dog belonging to the late Wat-
kins made a brave attempt to rescue
his young master, but on account of
the dog's own fear, was unable to
do so. The dog was seen to jump
into the water when the boys were
seen to be in trouble.

The two boys, with three others,
had been playing in the water, and
finding an old raft made of a few
logs, and a few planks, they had
jumped on to it, and started out
from the shore. The dog was seen

AS the world's largest manufacturer of automobile tires, Goodyear's chief interest in Balloon Tires is to provide Balloon Tire Comfort and Balloon Tire Economy to the greatest possible number of motorists.

For this reason, Goodyear builds Balloon Tires for six sizes of wheels and rims—covering all the new wheels and practically all present wheels.

On your present car or on your new car—you can enjoy the known value, economy and comfort of tested Goodyear Balloon Tires, without change of wheels or rims.

You may prefer the appearance of the smaller wheels on your present car. Your present wheels may not allow sufficient fender clearance for Balloon Tires. If so, see your Goodyear Selected Dealer, car dealer, or nearest Goodyear Branch, regarding new smaller wheels and rims.

In the open events Keith Stewart, a well known South Side athlete, showed up in most of the runs, and made a very creditable showing in the 100 yds. and 200 yds. races. Stewart also showed up to advantage in the other events.
